The Kyogle PA & H Society's 2023 annual show is a High-risk event with regards to cattle tick requirements; all paper work MUST be submitted to show office on arrival to the grounds

The use of tranquilisers is prohibited

All competitors compete at their own risk

1. Indemnity forms must be read and signed by competitors or parent/guardian before competing. A red wrist band must be worn and be visible
2. Competitors must purchase coloured "class" tickets from the designated "horse area" & present these fully completed to a steward at the commencement of the class.
3. The ring events will be in the hands of the Chief Ring Steward. Any changes to the program will be decided by a meeting between Chief Ring Steward, Ring Stewards, Judges and President.
4. The Kyogle P A & H Show Society or its members or committee will not under any circumstances be responsible for any loss, injury or mis-delivery of horses.
5. Horses will be measured in the event of a dispute.
6. District Events are limited to exhibits owned within the North Coast.
7. All competitors under the age of 18 years are required to wear approved safety helmets.
8. All perpetual trophies remain the property of the Kyogle PA & H Show Society – replica trophies will be supplied

RULES: RING EVENTS

1. Entries will be accepted on the day of the show, at the secretary's office. The exhibitor must submit a completed entry form with entry fee to the Treasurer. Competitors will be given cards to fill out to hand to the ring stewards prior to the judging of the event. Entry fees will not be refunded.
2. Competitors must wear an EFA approved helmet for relevant classes & events. All persons wishing to compete at Kyogle Show must complete a waiver form and lodge at the Secretary's office. No person shall enter the show ring before completing a waiver. **"NO WAIVER, NO RING ENTRY."** PIC number MUST be included on waiver form.
3. Competitors must be suitably dressed to compete.
4. No horse to be allowed in the ring unless competing, except with the authority of the Steward.
5. All competitors must be ready to enter the Ring when called by the Steward, otherwise the event will proceed without them. It is the responsibility of the rider to inform Stewards if he/she is in more than one ring.
6. Competitors are reminded that Judging will commence at 8:00am Saturday.
7. The Show Society will not tolerate cruelty to horses or the excessive use of spurs or whips. The stewards have the power to stand down for the day anyone who contravenes this rule.
8. All competitors must pay to enter the grounds.
9. Protests must be in writing to the chief steward within half an hour of the presentation of the ribbons & with \$50 payment
10. Stallions do not compete in hack or riding classes. Special classes accepted.
11. These rules apply for the duration of the show.

STALLION SAFE REGULATIONS

1. Stallions should wear official 'discs' at all times whilst at the venue. These discs are to be worn on both sides of head collars and bridles or on some part of the horse on both sides to identify to others that the horse is a stallion.
2. No stallion is to be moved around a venue without displaying the stallion discs and without suitable restraint. The restraint can be a bridle, a rearing bit or a chain lead rein over the nose or under the jaw.
3. Where possible all stallions are to be stabled or yarded. If suitable stabling or yarding is not available stallions need to wear a collar, which is securely tied to the outside of a truck or trailer. Stallions tied to the outside of a truck or trailer MUST be supervised at all times.
4. Stallions may be substituted in prize-giving ceremonies with another horse should the rider deem it to be safer.
5. It is recommended that riders and handlers of stallions at shows be over the age of 17 years; however, it is the responsibility of the parent/guardian to understand the full code of conduct for stallions at events. With the exception of rule 1.1.8 in the Show Horse Rules and Guidelines, stallions are not permitted in Show Horse classes at EA State or Championship events. All riders/handlers under the age of 17 years must be supervised by an adult/parent/guardian whilst at the event.
 - I) It is the stallion owner's/rider's responsibility to ensure that all possible safety precautions are taken.
 - II) Floats/Truck that transport stallions should display the official magnet giving notice that there is a stallion on board.

These guidelines are consistent with Equestrian Australia's focus on improving safety by identifying risks and putting in place measures to mitigate those risks.
