# WELCOME TO KYOGLE SHOW 2023

We would like to warmly welcome you all to our annual show, celebrating Australian culture from our rural traditions to our modern-day lifestyles.

We are striving to provide unique experiences for everyone. We are one of 192 Agricultural shows across NSW, we are so proud to be part of a show history dating back 114 years, strengthening the collective spirit of our communities and families.

There are many stories of competitors starting out at their local show, building confidence, transitioning through to their next level or aspiration. Our Big Little Show is a stepping stone for your next competition.

With a focus on youth, we encourage involvement and programs that support them. We have Junior Judging in Horse and Cattle sections this year. We've had support from local schools to create a platform for them to participate.

Dairy Cattle are back! They featured at the first Kyogle Show in 1910, their last appearance was 2002. History returns this year.

With an emphasis on free entertainment for our supporters, Kyogle Show Society are proud to announce the true-blue Australian icons Bluey & Bingo are here LIVE for real life!

New additions including Lawn Mower Racing, V8 Ute racing, cooking demo's, and a Kids' Zone, all supported by our local sponsors. We are lucky enough to be showcasing some extremely talented competitors across all three Pavilions this year - make sure you have a look!

To stage the best show possible for our community, we rely extensively on community involvement and support. The supportive relationships we are building are highly valued, our sponsors are integral in making memories for people of all ages. Our volunteers who spend endless hours assisting in making our show happen are incredible and we are watching life-long friendships develop through this experience.

Finally, to our small but very hardworking committee, we would like to thank you all for your commitment to keep the show alive. We thank you for your trust in us to lead us into another year of Kyogle Show!

Lauren Schottelius & Matthew Painter

# OPENING OF THE SHOW

## PETER CRAWFORD

Peter Crawford is a well-known identity having been a show announcer & previously a radio & TV presenter. With his long interest in thoroughbred breeding and racing as well as trot racing, he took the challenge of trying Show Announcing at the Kyogle Show in 1982. This was his first experience as an Agricultural Show Announcer, and he was also asked to be the trotting caller. He was excited by the new challenge. After advice from a friend, Johnny Tapp, he found this to be enjoyable, and he especially liked encouraging the public to become involved in cheering the drivers on. From this initial experience Peter went on to announce at over 300 agricultural shows as well as rodeos and campdrafts.

Over the years he has travelled areas from Branxton, out to Tamworth, and north to Gatton. Peter has even managed to survive a few bull attacks at rodeos while announcing. Over the years he has had a great time, and made many life-long friendships.

Peter is very honoured to open the 2023 Kyogle Show, especially because it was the first show he announced for!

# KYOGLE SHOW CAMPDRAFT

*The Kyogle Show Campdraft is a one day event, successfully running for over 80 years!*

This unique Australian sport is a popular event for Kyogle which boasts five Gold Cup winners within our region. The majority of our competitors are from the Northern Rivers and South-East Queensland.

Droughts and flooding rains are our biggest challenges when running a regular event. We would like to thank our local cattle donors and hard-working volunteers for running our back yards and producing such an amazing event.

We are lucky to have such great support. A big thank you to David O'Reilly and his team for continuing to host this iconic event!

## CATTLE PROGRAM

The Kyogle Show Cattle Program is showcased across the whole of Saturday, often attracting a considerable crowd throughout the day. With over 20 classes in the program, there are some superb Champions that will be flaunted in our Grand Parade from 2pm Saturday.

Dairy Cattle are back this year! They were shown at the first Kyogle Show in 1910 and their last appearance was 2002. Return of this historical section is fantastic to see in Kyogle, the Dairy Section played such an important role in the early years.

## STOCKMAN'S CHALLENGE

The Stockman's Challenge is a well-known event for the Kyogle Show. It is a unique Australian sport designed to commemorate the Australian Stockman's horsemanship skills required to work cattle in the bush. This modern-day tribute to the stockmen and women of years gone by and an acknowledgment of the skills required can be seen on Friday. With thanks to our sponsors for donating generously to our prizes.

## GRAND PARADE

A SIGHT TO MAKE EVERY AUSTRALIAN  
THANKFUL AND PROUD

The Grand Parade is often regarded as the heart of an agricultural show, a quick visual summary of the best of the region's animals.

Inside this arena is a display of our livestock champions! This includes the presentation of Best in Show, and Supreme Beast of Show.

It is a representation of the pastoral industry in our region that - despite the decline over the years - is still regarded one of our economic mainstays on show for all to see. A highlight of the show!

2PM  
SATURDAY

## THE SAW SPOT PRESENTS FENCE POST RIPPING

Singles & Doubles  
Competition Rounds

Fence Post Ripping is hard work, intense and fast! Our competitors must accurately slice down the length of the log provided to mark each post, which is then freed using wedges, hammers and crowbars. This event generates a big crowd, it's definitely one to get in early to get a seat in the grandstand. With thanks to our local sponsor The Saw Spot who has kindly donated prizes.
